

Be an INNOVATOR For a day

IBM, the world's largest IT company, invites you for a unique opportunity to visit the cutting-edge environment of our UK Software Development Labs at IBM Hursley, near Winchester and be one of its Innovators for a day !

You will meet and mingle with some of our leading minds, our Master Inventors and learn how we develop new ideas, then road-test YOUR ideas an innovation workshop, collaborating in teams to solve a real-life problem

All food and transport paid
The winning team wins exciting prizes!

Date: Wednesday 17th November 2010 - Coach at 10.00am
Sign up: 9th & 11th November, 1pm, Zepler Foyer

Expand your world.
