

Women in Technology Day. 28th November 2012

IBM UK Laboratories, Hursley Park, Winchester.

Smart. Now there's a word that seems to be everywhere these days. Smart phones, smart thinking, smart cars. But what about a smarter planet? That's what we're all about here at IBM. Using technology to make the world a smarter place to be. There's a lot to do, and we need people with ideas. People just like you. So come along and meet us - learn about our smarter planet initiative, take part in a mini project, learn about career opportunities from successful women IBMers and have all your questions answered.

Event details:

The event will take place at IBM UK Laboratories, Hursley Park, Winchester, SO21 2JN. Participants will be expected to make their own travel arrangements, however we will cover up to £50 of personal travel expenses. Lunch and refreshments will be provided throughout the day.
