

# WORKING WITH INDUSTRY

## EXCLUSIVE TRAINING AND BUSINESS NETWORKING

**27 - 28 February 2020 | Chilworth Manor Hotel**

### Do you want to...

- Collaborate with industrial partners?
- Widen your career options?
- Create consultancy opportunities?
- Understand how business works?
- Keep up to date with industry trends?
- Hook yourself into local business networks?
- Place yourself in best position for collaborative research funding?

**Join us for exclusive training and industry networking to learn more about creating opportunities and interacting with industry.**

Understanding how to engage with industry can provide the edge in today's competitive environment whether you are looking to collaborate with industry for funding, spot opportunities for consultancy roles, increase impact through business engagement or spinout a company from your research.

Learn what's important to industry and find out how to articulate your research, skills and experience into a package that is appealing to business and places the spotlight on how you can add value.
